

## Sombrero

**Date**

c. 1900

**Medium**

Straw and horsehair

**Description**

This is a sombrero made in Mexico around the turn of the 20th century. Sombreros are to this day made out of either straw or felt. While wealthier wearers traditionally

donned hats made of felt, there is now little difference in quality between the two. Though designs are added to hats made of both mediums, this hat is unembellished save for a simple braided horsehair band.

**Dimensions**

9 1/4 x 23 1/2 in. (23.5 cm, 23 1/2 in.)
