Description

This Santa Ana pumpkin float was a part of the Parade of Products which was first held in conjunction with the Orange County Fair in 1905 or 1906. The parade was created to display the wealth of products produced in Orange County, a Queen was chosen each year, and prizes were awarded for livestock, produce, and homemade goods. To this day, the OC Fair continues this tradition by featuring a wide array of products for sale by individual vendors in sections of the fairgrounds named Carnival of Products, Parade of Products, and Festival of Products.
