

# Basic Detail Report

---

## Dimensions

24 x 20 in. (61 x 50.8 cm)

## Untitled

### Date

c. 1906

### Primary Maker

Emil Carlsen

### Medium

Oil on canvas on masonite

### Description

Landscape done in oil on masonite. American artist Emil Carlsen taught at the San Francisco Art Association in the late 1880s. He is best known for his still life painting, the technique of which he spread to the artists of California. However, Carlsen also painted poetic landscapes and seascapes in pastel but alive colors.
