

Spear

Date
mid to late 20th Century

Primary Maker
Asmat

Medium
Wood

Description
A dark brown wooden spear collected from the Papua Province of Indonesia. The Asmat are well known for their intricately carved and elegantly adorned spears. The spear top is aerodynamic by design and assists in accurately piercing the intended target.

Dimensions
95 7/8 × 4 13/16 × 7/8 in. (243.5 × 12.2 × 2.2 cm)
