

Basic Detail Report

Bowl

Date
c. 1975

Primary Maker
Legoria Tafoya

Medium
Ceramic

Description

This bowl made by Santa Clara artist Legoria Tafoya is made in the traditional blackware style in which during firing, it is deprived of oxygen turning it black. The shiny surfaces are made by burnishing or polishing the clay before firing and creates a distinction from the unpolished matte surfaces of the bowl. This is a hand built bowl.

Dimensions

2 1/2 × 5 3/4 × 4 1/4 in. (6.4 × 14.6 × 10.8 cm)
