

Shield

Date

20th Century

Medium

Fiber

Description

Wicker shields were made only in select locations within the Solomon Islands, specifically the New Georgia Group, Santa Isabel, Guadalcanal and the Florida Islands. Wicker shields were used in battle in the locations they were made. They were also typically sold to other islanders.

Dimensions

40 × 8 1/2 × 2 in. (101.6 × 21.6 × 5.1 cm)
