

# Adze

### Date

20th Century

# **Primary Maker**

Massim

## Medium

Wood, fiber and metal

# Description

Adzes were one of the essential tools that Massim carvers used when creating objects such as canoes out of wood. This adze has the swirling geometric carved motifs that are prevalent in the other wood carvings of the Massim area.

### **Dimensions**

 $22 \times 13 \ 1/2 \times 2 \ 1/2 \ in. (55.9 \times 34.3 \times 6.4 \ cm)$
