

## Paddle

### Date

20th Century

### Medium

Wood and paint

### Description

Paddles such as this are used to navigate the various rivers that flow within Sepik River area. This paddle does not seem to have a great deal of patina or wear, which may indicate that it was not used very much if at all.

### Dimensions

73 15/16 × 6 3/8 × 1 1/4 in. (187.8 × 16.2 × 3.2 cm)
