

Basic Detail Report

Jacket

Date
mid to late 20th Century

Primary Maker
Miao

Medium

Cotton and silk

Description

This ensemble uses more recent materials resulting in brighter colored embroidery in seemingly less refined application than older examples. The example certainly does speak to the Miao’s emphasis on adornment as all three pieces associated with the ensemble, particularly the skirt and the apron, feature a very good deal of detailed and colorful embroidery.

Dimensions

24 1/2 × 50 1/2 × 3 in. (62.2 × 128.3 × 7.6 cm)
