

Hat

Date

20th Century

Primary Maker

Hmong

Medium

Cotton, silk, metal, possibly seed and possibly glass beads

Description

Tribal Chinese people have migrated to countries south of China. The Hmong are among those peoples whose culture originated in China, but who are currently residing

outside of China. As with the Miao, Hmong textiles are created with great skill and care, and attention is given to details and adornments. This child's hat is an example of the adornment typical to ensembles.

Dimensions

4 3/4 × 5 1/2 × 5 1/4 in. (12.1 × 14 × 13.3 cm)
