

Blanket

Date
mid 20th Century

Medium
Wool

Description
In Morocco, wool is the most important fiber for textile production. The traditional costume of a mountain woman consists of a long woolen tunic draped horizontally around the body, and over her tunic, a woman wears the

rectangular cloak patterned with weft stripes. Among the High Atlas peoples, there are many of the weft-stripe patterns, each particular to a certain group so the affiliation of the wearer is immediately apparent.

Dimensions
50 × 58 in. (127 × 147.3 cm)
